ABOUT THE VENUE

SLOVENIA

Portorož, Slovenia, is located along the Mediterranean Sea between Italy and Croatia. Something of a hidden gem, it offers rich cross-cultural experiences and stunning natural beauty.

This is where the Alps meet the Adriatic and the forests meet the sea. Historical Slovenian, Italian, and Austrian influences can be found in the city's unique architecture, traditions and gastronomy. Full of sun and sea, it is already warm enough here at the end of April for a beach holiday.

Slovenia is the green heart of Europe, where everyone can find something for themselves. It's difficult to find such a small region offering so much anywhere else in the world.

In addition to its own remarkable tourist attractions, Slovenia's close proximity to destinations like Venice, Italy, make it even more attractive for extending your visit.

The EGMO 2023 events will be held at the

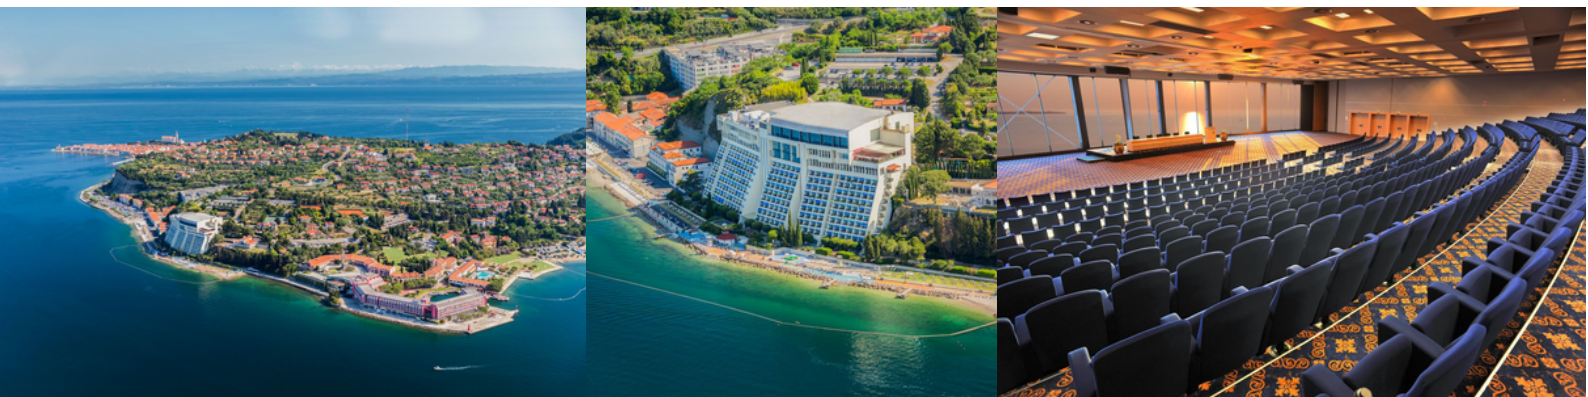

CONGRESS CENTRE BERNARDIN
